Measure, Appointment or Topic: SB702

Good Morning, my name is Paul Sap. I oppose this bill

I have lived in Oregon for 40 years as I am 41 now.

I am a father of 2 beautiful kids my son is 14 and my daughter is 10. I believe the best practice is "teaching" and making sure the kids don't smoke and use any substance.

I really look deep into this and say hey "why not just be responsible parents and teach our youth". We should be have more funds in education and health teachings.

Are we making.... or is Oregon trying make a "place" to sell cannabis or alcohol and inhalants?? "Super Drug Store"

It makes no sense..... I greatly OPPOSE this bill.
