SB702

Please support this bill and the efforts to protect our youth from access to substances. Youth substance use prevention is at a critical turning point and we must do all we can to keep substances out of our children's hands. I urge you to pass this. As a parent, educator and a former Youth Substance Use Prevention Coalition Chair, see how accessible substances can be. We need to do all we can to reduce the access and prevent use amongst our youth. Thank you.
