I love my Oregon! My husband of 52 years have been the people who PIT OUR FAITH TO ACTION, we were foster parents, we adopted 9 hard to place children, taking our family size to 11 children who are socially appropriate and employed, adding to Oregon's foundation. We now live on a fixed income and because the Department of Forrest can't tell that their methods don't work, you want to burn the kickback that I deserve. No, No,No...stop beating up your working class Oregonians, return to them their due.
