

Submitter: Jeff Kropf  
On Behalf Of: Dont cut the people out of the process  
Committee: House Committee On Rules  
Measure, Appointment or Topic: HB3971

I oppose HB3971 for the most basic reason that this bill effectively removes the right of the people to participate in the land use process regarding the siting of land fills. This is dangerous as the same concept could be used for other matters later on. It is truly the camel with the nose under the tent.  
Please do not advance this bill. Vote no

Sincerely,  
Rep Jeff Kropf (Ret)
