

Submitter:	Mike Wagner
On Behalf Of:	Small Business and family farms
Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB2548

Mike Wagner from Lyons Oregon here, I strongly oppose HB 2548. This bill strips away basic rights from Oregon's farmers and hands power to unelected bureaucrats. It's anti-farmer, anti-business, and flat-out wrong. Kill this bill.

I grew up on a dairy and owe much of who I became to the lessons learned there.

Please stop this attack on Oregon Farms, you don't understand the business model so it's not a good idea that you try to regulate it.

You will destroy agriculture in Oregon which like all small business ventures is under tremendous economic pressure.
