On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB2548

Monica Cory, from Portland, and my entire family strongly oppose HB 2548.

This bill strips away basic rights from Oregon's farmers and hands power to unelected bureaucrats. It's anti-farmer, anti-business, and flat-out wrong. Kill this bill.

The best citizens in our state are family farmers and we do not need to add any more burdens to their business and livelihoods nor do we need any more bureaucracy.
