On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB2006

I oppose HB2006. There should not be a limit to the amount a legislator can write or introduce. There are many concerns that constitute and legislator has for betterment to our fine state. There should be more limits on what a governor submits. Each of the governor's bills should be hosted by a Senator or Representative. Bills introduced for studies should

be for a goal in mind, be stated a purpose, . Vote "NO" on HB2006
