Committee: House Committee On Rules

Measure, Appointment or Topic: SCR13

To the Honorable members of the House Committee On Rules, Oregon State Legislation.

My Name is Susan Bunch, and I am involved in the cattle and beef industries residing in both Durkee and La Grande, Oregon. I am writing to respectfully submit my testimony regarding SCR 13, a bill concerning the designation of the T-Bone as the Oregon official state steak. Having a State Steak shows support towards the cattle industry in Oregon.

Oregon's history of cattle ranching and beef productions is a cornerstone of our agricultural economy. This is an opportunity to showcase the hardworking ranchers from all over the state of Oregon (East, West, North and South). Farmers and Ranchers are the original stewards of the land and provide a sustainable and nutritious product along with numerous by products.

I urge the committee to consider the importance of supporting and promoting Oregon Agriculture through APPROVAL of the T-Bone as Oregon's state steak (SCR 13).
