What in the hell is Oregon coming to?

A farmer has to get permission to fire a lazy worker? There goes the wine industry! Do any of you idiots think about repercussions of your communist policies? Just like every failed communist country, it's a race to the the bottom of the barrel. Merritt means nothing. Oregonians are get pissed, were getting active and vocal. Our colleges are a communist wet dream. They call for the murder of Jews, Like the REAL nazis back in the 30's and 40's..We went to war to erase this scourge, yet here is OREGON sticking up for literal modern day nazis.

Make all this make sense.

NO NO NO on any new restrictions on any industry.
