On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB2006

I am opposed to this bill because:

- > Executive department should have to find a legislator to sponsor any bill they want to see introduced. They shouldn't be allowed to submit their own bills.

- > Study bills should be for studies, and not gut-and-stuff bills.

- > Legislators should not be limited in writing bills that support their constituents in the long session. Thank you.
