House Committee On Rules

Measure, Appointment or Topic:

HB2006

I am opposed to this bill:

The executive department should have to find a legislator to sponsor any bill they want

to see introduced. They shouldn't be allowed to submit their own bills.

Study bills should be for studies, and not gut-and-stuff bills.

All legislators should not be limited in writing bills that support their constituents in the long session.

Please vote against! Thank you.
