

Submitter:

Noelle Glidewell

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1003

I oppose SB1003 as I know people who were in depression who would choose death at the time, yet came through both their illness and depression. If they had been faced with that choice, their life which is precious and valuable could have been snuffed out. This bill ladies not treat life as precious and valuable.

I strongly oppose this bill.
