On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1003

Dear Oregon Legislators,

I strongly oppose your Oregon Death With Dignity Act and even more strongly oppose the additions which you propose in SB 1003.

Suicide is not a solution to potential suffering. Organizing death the way you want it to be attacks our very essence as people.

Please reject this new bill.

Thank you,  
Stephanie Doyle
