Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1003

Please stop trying to pass laws wrongfully allowing death by SUICIDE-- MURDER!-- for ANY REASON!! Mentally sick, depressed and people with PTSD who have a life-threatening illness, disability, or who are aged and infirm, DESERVE TONS OF LOVE, SUPPORT, TLC AND CARE!! In this great country, America-- there should be NO SUCH THING as ever allowing anyone to KILL THEMSELVES-- or BEG THEIR DOCTOR TO KILL THEM!! DOCTORS ARE SUPPOSED TO HEROICALLY TRY TO SAVE LIVES!! SUICIDE -- AND DOCTOR-ASSISTED MURDER-- ARE EVIL!! You must be strong and courageously face your sufferings in life-- and receive lots of LOVE and CARE until our Creator-- God Himself -- takes your soul at His appointed hour of death!!
