Measure, Appointment or Topic:	HB2548

This bill will only make the cost of living for everyone go up. Stop this government interference into our businesses. We do not need some unelected bureaucrats dictating to the farmers how to farm. Most farmers have more experience and common sense than any college indoctrinated bureaucrat. This is the way they earn their living. They know what does and doesn't work. Don't need any city folks telling them how to run their operations. Enough is enough.
