

Submitter:

Yolanda Ackerman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1003

Dear Sir/Ma'am,

I oppose SB 1003 because it would dangerously expand the state's so-called Death with Dignity Act. If passed, because of Oregon's removal of its residency requirement in 2022, this law would affect vulnerable patients nationwide and further normalize suicide as a "solution" to potential suffering.

Respectfully,

Mrs. Yolanda Ackerman
