Committee: House Committee On Rules

Measure, Appointment or Topic: HB2548

I'm L. Cool, from rural Southern Oregon, and I strongly oppose HB 2548. This bill strips away basic rights from Oregon's farmers and hands power to unelected bureaucrats. It's anti-farmer, anti-business, and flat-out wrong. Kill this bill." More bureaucratic overreach in this state, or country, is the last thing we need. Absolutely not your place to make those decisions.

Thank you,

L. Cool
