Senate Committee On Rules

Measure, Appointment or Topic:

SB1003

I oppose this bill as it makes the Death with Dignity Act even more egregious by shortening the wait time and, the way I understand it, allows non physicians to be involved in the process by prescribing the lethal drugs to end life.

My conscience and personal faith believes that no one other than God Himself should take a life of an individual.

Please stop this bill in it's tracks. It is wrong.
