Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1003

I'm begging you to please oppose assisted suicide in all its forms. We should compassionately love those who are suffering and dying and not play God and kill them. Life is precious and we are made in God's image. We are made to love each other and not act like Nazi's and decide who we think has a life worth living. I'm sending my angel and Mary to help you see how much we are loved by God.

Thanks for being so loving.
