

Submitter:	S.M Scott
On Behalf Of:	Also for C Evers
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1003

Please do not pass this radical attempt to take all dignity away from the natural process of death. As human individuals we are not God.....thus we should not attempt to control the natural process of life for our own convenience. Please Please protect our rights to live and die naturally without having to be pressured to do so.
