

Submitter: KATHEY LINN

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB2548

HB 2548 is bad for Oregon farms. It raises costs, adds unnecessary rules, and takes away farms' right to make staffing decisions. Farm workers already have strong protections, so this bill isn't needed. If passed, it could lead to job losses and make farming harder. Lawmakers should vote NO to keep farms running and protect jobs.
