The daily/weekly/seasonal uncertainties of being a farmer cannot relate to employment that fits a 9 to 5 job. As owners, we are 24/7, 7/7, 365/365. We do treat our employees well; we try our best to keep people employed fairly but so much is out of our control...the weather, the REGULATIONS, uncertainty of markets and employee availability...the list goes on. We CHOOSE, this life, we love growing and nurturing and distributing the fruits of our hard work and energy. This makes another rough, and probably impossible and unnecessary roadblock for us farmers.

Stop this micromanaging of our work. Please listen. Thank you.
