HB2548

I strongly oppose HB2548. This bill dictates how farmers will hire, train, manage, and fire their own employees. They'll have to get approval through the Agriculture Workforce Standards Board (unelected officials). That's absolutely crazy. Would any of us like that done to us, I think NOT. We need our farmers and this bill just makes it so much harder for them. Please do NOT advance this bill any further and let it die. Vote NO on HB2548 and leave our farmers alone.
