

Submitter:	Mary Angels
On Behalf Of:	Living persons
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1003

To Whom it may concern: This bill is a tragedy. No one's life should be so dishonored after they have contributed to the welfare of humankind in so many ways. This includes your own lives! Think of how the world has been impacted by your own presence in it. Would you want important actions on your part to be lost by someone else taking your very breath away? Please vote against this bill and recognize that each person needs their FULL LIFETIME to complete what they have to contribute to all humankind.
