On Behalf Of: Mr Oregon SUPPORTS HB 2006  
Committee: House Committee On Rules  
Measure, Appointment or Topic: HB2006

I OPPOSE [HB 2006].

[HB 2006] should be renamed as the "windbag statute."

There are too many frivolous Legislative attempts at glory, burdening all of us but to confine the Officials who are elected by the masses, we cannot limit their attempts to address and serve our societal needs and wants.

The misuse of 'declaring an emergency' to their particular piece of legislative crap must stop.

Limiting the Legislature to Twenty-five (25) legislative measures, might deny Oregonians the joy the Legislature might just get an issue before them right.

\*\*\*What is seriously needed is to expand the time OLIS allows for public comment before OLIS shuts us out.
