On Behalf Of:	Mr Oregon OPPOSES SB 1077
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1077

I OPPOSE [SB 1077].

There is 'No' budget allocation or funding source(s) identified to carry out the professional study and as such, [SB 1077] is incomplete therefore incompetent and should be rejected and denied.

\*\*\*In Yamhill County, 'Public Record requests' are very expensive and serve to 'chill' the Public's right to copies of public documents.

\*\*\*In Yamhill County, 'Public Record requests' is a 'money making operation' skirting and shielding the Public's right from accessing Public Records.

\*\*\*\*The 'Fee Structure' for Public Record requests needs to be seriously reduced by statute to preclude Municipalities and Counties from concocting and operating illicit revenue machines to suppress and or dissuade the Public's right to access Public Records.

David S. Wall

Mr. Oregon Concurs and says, "Yamhill County is colloquially referred to as 'Scam-Hill County' by some long-term residents."
