

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 3569
Committee: Senate Committee On Rules
Measure, Appointment or Topic: HB3569

I OPPOSE [HB 3569 A].

'Committees' are politically appointed and NOT 'elected' persons.

"Non-voting Chief sponsors" of any Legislation should never be permitted anywhere near "Agency Rules Advisory Committees."

The presence of "Non-voting Chief sponsor(s)" of any Legislation 'opens the door' to inject and or influence their respective position(s) to an "Agency Rules Advisory Committee" thereby to dissuade or support the implementation of the Legislature's decision on a particular issue.

How did [HB 3569 A] survive this far in the Legislative process?

What is the intent of those 'Legislators' who authored and or shepherded [HB 3569 A] this late in the Legislative session?

David S. Wall

Mr. Oregon Concurr and says, "[HB 3569 A] should die an ignominious Legislative death (with extreme prejudice)."
