On Behalf Of: Mr Oregon OPPOSES SB 1060
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1060

I OPPOSE [SB 1060 A].

One can readily imagine television commercials, "Hospital A charges \$5 bucks cheaper to rip out your appendix than Hospital B."

[SB 1060 A] will add more costs to healthcare and create unnecessary burdens to Hospitals already suffering economic losses to treat the masses of Illegal Aliens plaguing our state. [Check out the Medicaid / Medicare costs out of the GENERAL FUND.]

[SB 1060 A] does not have any budgetary allocation(s) and or identifies any revenue source(s) to fund the Oregon Health Authority's necessary departmental administrative expansion.

[SB 1060 A] lacking budgetary allocation(s) to support the necessary Oregon Health Authority's expansion is incomplete and therefore is incompetent and should be rejected and denied (with prejudice).

David S. Wall

Mr. Oregon Concurs and says, "Only 'Leftist Dimwits' and or congenitally incompetent Legislators would hoist additional costly burdens on Hospitals (and taxpayers) to comply with the infrastructure and operational costs of this poorly constructed piece of Legislative crap."
