Committee: House Committee On Rules

Measure, Appointment or Topic: HB3974

Hello,

I am a small property management company. I make no money off of screening. The people who apply go right to my screening company and pay them directly. If you put a cap on screening fees that will come out of my pocket or the owners. This is not right we need to screen to make sure the tenant qualifies for the unit they are applying for.

Thank you,

Mary Hill
