Measure, Appointment or Topic: SB1003

I am opposed to this bill because we already have assisted suicide. And since we've done that suicide has increased in our state on all levels and all ages. I ask you to have wisdom when you look at this bill, for the backers of this bill do not have the interest of the people. Even though they say they do. Please vote against this bill. It is not needed and only opens the door to more suicide.

Thank you, Carol Alery
