On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: SB485

Our names are Marc and Lori Wangerin, and we live near Florence in Lane County Oregon. We own 30 acres of managed timberland and it's been in our family for 74 years.

We support SB485A because it makes it possible to pass our land on without facing unmanageable taxes do to the old impracticable rules.

Again, we support SB485A and ask you to vote YES on SB485A. We thank you for your attention to this and its importance and for your time and service.

Thank you, Marc & Lori Wangerin
