

Submitter:	DeAnna Cormany
On Behalf Of:	farmers
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1153

As land owner with irrigation rights this bill needs to be stopped. Irrigation use and passing those rights on to future owners is crucial for keeping farming alive. Stop government over reach!!! As a farmer we respect our irrigation rights and use them wisely, so take care of the people rights to water esp. for those who produce crops here in Oregon.
