On Behalf Of:	NeahKahNie Farm Property LLC
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	SB485

I am very much in favor of SB 485A. My family and I own a small tree farm and we struggle each year to make it work. Our last planting got swiss needle cast and it is somewhat of a bust for harvesting. We need a little help to keep things going. Thank you for your time. Patricia Rinehart
