

Submitter:

Colleen Busch

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1003

I oppose Senate Bill 1003, expanding even more ways to allow and promote assisted suicide. Life is precious. Doctors and medical professionals take an oath to preserve life as much as possible, and these revisions go even more against all compassionate care. Fight for life for those who cannot fight for themselves. Protect the vulnerable. Promote living. It is not too late to do good!!
