On Behalf Of: People who suffer
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1003

Please do not pass SB1003. We need to minister help for those who suffer in life affirming ways, like pain relief, counseling etc. rather than offering death. I worked 16 years closely with patients in Hospice and many people suffer from feeling like a burden. Time ,effort, finances and emotions are often used exponentially. Life is worth the costs. People need to be encouraged to expend themselves for others. Everyone has worth.
