On Behalf Of:  
Committee: House Committee On Revenue  
Measure, Appointment or Topic: SB485  
Subject: SB 485A Support

Dear Representatives,

We are Geoff and Carol Stark from Benton County. We own 35 acres of family forest land. SB 485A will help my family keep our forests by making the estate tax rule fair and practical for timber owners. The old "75% of days" rule doesn't work for the forest business.

Please vote yes on Senate Bill 485A.

Thank you,

Sincerely, Geoff and Carol Stark  
Albany, Oregon
