

Submitter:

Marcus Peck

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

I oppose SB 1153. All too often we knee jerk a bill because of misinformed people. Vote no, it just makes no sense. The Sierra Club and the members of the Breathless Society ruined the logging industry in our state and are now responsible for the loss of habitat for our wildlife. Please do not ruin our Agriculture industry too.
