Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1153

Oregon farmers and agriculture need a break. Reading this bill appears to be a power grab, based by the urbanites with no concern but their own. Controls and centralized power at the state level must be balanced for rural Oregon, not just the city people.

Please respect all Oregonians, as the supporters of this bill so often brag is their position. Reality shows nothing is further from the truth.
