SB1153

It seems like this is another bill and an unbalanced house that is allowing one agenda and one side of a narrative to be pushed very much like the Trump people are doing on the other side of the aisle on the federal level and it's embarrassing and not very Oregonian at all. You Democrats should be ashamed of yourselves. Ram riding all these silly bills through knowing that there's not an opposition to vote against you or make it worth arguing about and it's embarrassing. It just shows that you have the same backbone spine and moral ethics of the national Republican Party.
