

Submitter:

Joe Frischman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

I oppose SB 1153. Please don't mess with our water rights.

The current system is working and does not need to be changed. This will create even more unnecessary bureaucratic oversight that our state budget does not need to fund. The funding that would be needed can be used in other more important departments.
