

Submitter:

Ann SeCoy

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

Do not mess with our water rights. This will hurt agricultural communities, restrict water flexibility and increase legal risks for farmers. This bill does NOT offer real environmental solutions and will drive up the costs of produce and goods. This is NOT what your constituents need.

This bill is duplicative and damaging - look at how bills like this have affected California.

**OPPOSE THIS BILL.**

Ann
