

Submitter:

LEROY KROPF

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

I am opposed to SB 1153

Our current water rights rules are protecting our water resources just fine. As a farmer I am already forced to go through excessive regulations when applying for or transferring water rights. The cost is very high and the time for processing is excessive. Changing current water rules will likely increase both the regulatory cost and processing time. Leave well enough alone!

LeRoy Kropf
