I oppose SB1153, but what I oppose even more is the Republican policy of being present when they haven't got the votes to stop the Democrat machine. They are giving quorum to allow votes on the floor that will illegally take my rights as a United States citizen and throw them in the trash can. Stand up for those that voted for you and WALK OUT. If that means you lose your job as a state rep, so be it. It's the right thing to do, and it takes guts. People will respect you for not showing up for votes which you have no power to stop. We'll simply keep voting in GOOD representatives until this unfair rule of not being able to run again is overturned.

Thank you, and please get up and leave, or this state hasn't got a chance.

Gary
