

I am appalled by Senate Bill 1153. Are you trying to break Oregon up to become Greater Idaho? Well, YOU ARE DOING IT!!!!!! I am a true Oregonian – born and raised in Portland. I am now so embarrassed to say that we live in Oregon. Our Government only cares about their pocket book and not the citizens that try every day to make Oregon a great place to live, work, vacation. If I am wrong, PROVE IT!!!! We need our farmers and what you are doing IS WRONG! LEAVE THE LITTLE PEOPLE ALONE. If you want to help, help us make OREGON GREAT AGAIN – DON'T HURT US!!!!!!
