

Submitter:	Larry Carnahan
On Behalf Of:	White Oak Country Farms
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB1153

I oppose the bill that will eliminate the success of any local, small farm/ranch with these over burdensome regulations that prohibits one of the basic needs for success in raising crops, livestock, growing I'd resale items used to make money to operate on land that is there for those exact purposes! Hands off over regulation.
