

Submitter:

Candice Fuller

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1153

Please vote No not only will this bill hurt farmers, communities but as well economy of Oregon because everything will go up. Oregonians are struggling as it is with all the tax increases , fees, etc . Also who appointed government to have control over water when God is the one that gave us the water. Government over reach again
