SB1153

Our family opposes SB 1153. Why does the party in charge hate rural Oregonians so much? Why does the party in charge want to pass anti-American legislation? This bill is about control of people and taking of "rights". We paid for our well, maintain our well, we are taxed on our land. This bill wants the power to trespass on our land to put meter to control and tax our use of water. This bill is an anti-American American Marxist legislation from the party ruling over Oregonians. Enough of the destruction of our citizen rights. Our family opposes SB 1153.
