Committee

To witness as a Senior Citizen trying to make it on limited means, and grow some of my own food every summer,

I am finding every day, you Legislators we voted into place to PROTECT us are not looking out for the State of Oregon and our HONEST LEGAL CITIZENS.

We ,the HONEST LEGAL CITIZENS, who are still living in our BEAUTIFUL STATE, take pride in what our years of hard work and saving has provided to us.

In reviewing records, I find the cities, counties, and state buildings do not have taxes assessed on them. Add to the list of others exempt are the schools, and churches. All I see are that the Legislators expect the LEGAL CITIZENS, HOME and BUSINESS OWNERS are expected to shell out the money pay for your ideas.

You know water is critical so you target our water. If you believed your ideas were valid you would present your cases and let the LEGAL CITIZENS VOTE ON YOUR IDEAS.

Please vote NO on this bill.

I OPPOSE THIS BILL.
