Measure, Appointment or Topic: HB3970

I urge you to support Rep. Levy's HB 3910 that will increase funding to \$7.5M for youth and families experiencing homelessness. Anything we can do to help these vulnerable youth will help Oregon's adult homeless population that is one of the highest in the nation, and will improve people's lives.

Thank you for voting for compassion, resilience, and dignity for all of Oregon's citizens, beginning with our precious youth.
