House Committee on Rules	

My wife and I own a marina with 56 floating homes. It is a gated community, and we pride ourselves on being a safe and secure facility. We use a screening service that charges between \$50 and \$65 for background and credit checks. It is by no means a source of income. We only run the background check after a floating home is under a sales contrac, so the applicant is serious..

Please vote NO on HB3974
